Café in Central Coast, NSW If you're visiting the Central Coast of NSW or staying in the town of Avoca Beach, you'll find Avoca Sands Café occupying a prime position at the southern end of the beach. Located conveniently near the car park and Mermaids Seafood, it's a good spot to enjoy a coffee, a hearty breakfast or a light meal as you watch the waves crash on the beach. The Big Breakfast is served throughout the day and is a satisfying serving of eggs, grilled tomatoes, mushrooms, sausages and crispy bacon. Choose from a mezze plate, chicken Caesar salad or other light dishes such as the squid salad. Crisp salt and pepper squid is the pick and it comes mixed with fresh herbs, shallots and rice noodles in a hoi sin dressing. The lightly battered fish and chips are tasty and crisp, and they always taste better near the sea or opt for the Burger which comes with a side serve of chips and salad. Avoca Sands Café is licensed and serves a good range of wines by the glass and the bottle. It is open 7 days during summer for breakfast, lunch, coffee and drinks but closes in the evenings. Our staff may be a bit busy on the weekends, but we always strive to give you the best service possible.
