Café in Newcastle, NSW Established in 2015, East End Hub is a cafe & restaurant in Newcastle's beautiful East End. Focusing on local, fresh seasonal produce with great coffee & service, our menu is created by our executive Chef and Owner - Anthony Kocon. Our food is locally sourced, fresh and innovative food - prepared by our fantastic team of award winning chefs. We have a lot of gluten free options on our menus and our chefs cook everything to order, you will never have a reheated dish, everything is fresh and ready-made just for you. Our food is focused on healthy, fresh eating local produce. We offer a wide array of options for every nutritional need, including vegan, vegetarian and we even have a kids menu available for the little ones. We have a wonderful light, spacious and airy location in Newcastle's beautiful East End, with a large alfresco dining space. We welcome families, and dogs are very welcome outside.
