Hospital in Sydney, NSW Founded in 1857 by the Sisters of Charity, St Vincent's Hospital is one of Australia's most iconic Hospitals, which functions as a full service acute public teaching hospital.Part of the NSW-based arm of St Vincent's Health Australia, the Hospital provides significant training and research activities housing several specialty units that are internationally recognised as centres of excellence.These include heart and lung transplantation, bone marrow transplantation, cardiology, cancer care, AIDS/HIV, respiratory medicine, mental health and drug and alcohol services. Co-located with St Vincent's is Sacred Heart Health Service - one of Australia's largest and leading palliative care and rehabilitation providers offering inpatient and outpatient services.The Hospital's endeavours are supported by a significant investment in teaching and research both within our facilities but also in partnership with universities and affiliated research institutes.
