University in Townsville, QLD One of the world's leading institutions focusing on the tropics, Australia's James Cook University is surrounded by the spectacular ecosystems of the rainforests of the Wet tropics, the dry savannahs, and the iconic Great Barrier Reef. Our unique location enables students from Australia and overseas to study in a diverse physical environment unparalleled by any university in the world. Ranked in the top 2 percent of the world's tertiary institutions by the respected Academic Ranking of World Universities produced by the Shanghai Jiao Tong University, James Cook University is dedicated to creating a brighter future for life in the tropics world-wide, through graduates and discoveries that make a difference. Since our establishment in 1970, we have expanded into a multi-campus institution with our main campuses in the tropical cities of Cairns, Singapore and Townsville, with smaller study centres in Mount Isa, Thursday Island and Mackay. We also have a campus in Brisbane, operated by Russo Higher Education. Our students come from many backgrounds, promoting a rich cultural and experiential diversity on campus. Our undergraduate and postgraduate courses span the Arts, Biomedical Sciences, Business, Creative Media, Dentistry, Education, Engineering, Healthcare Sciences, Information Technology, Law, Medicine, Nursing and Midwifery, Pharmacy, Planning, Psychological Science, Science, Social Work, Sustainability and Veterinary Science. We aim to give graduates the qualifications and skills they need for the global workforce.
