Cafe in Geelong, VIC Curl up and enjoy a coffee and a bite to eat in the warmth of our fireplace or head out back to our hidden leafy green garden space. There's nothing else like it in Geelong! Cafe Go is a cozy getaway right in the heart of Geelong's CBD and we're all about having fun while serving up delicious food and coffee in a comfortable environment. Our quirky converted weatherboard house is located on the corner of Bellerine & Lt Malop Street just near Barwon Health. It's the perfect spot to pull up a seat with friends and feel right at home and has been that way for 25 years! The current owners are Stephen & Felicia Bell, and Lucia Clarke. They have owned it since 2010 and been covered by numerous Geelong publications since. Just like our decor, our clientele is diverse. You'll see plenty of CBD workers, hospital staff & paramedics, students, retirees, and loads of travelers passing through. All looking for either a tasty quick lunch or a long boozy brunch! On the menu you'll find all day brekky that's to die for, interesting daily specials and a lunch menu that's packed full of flavor. Cafe Go is an exceptional function venue and we also cater events. While we go about our day living our passion we try to have a positive impact on the wider community through the work we enjoy most.
