

# Bear & Bean

---

Little Ryrie Street  
Geelong, VIC 3220  
Australia

Phone: 03 5222 2300

Cafe in Geelong, VIC Bear & Bean started out as a catering business, with a focus on catering for small to medium sized functions, corporate lunches, and special occasions. The vision was always to open a cafe. Bear & Bean has a focus on good coffee, healthy food options, variety, and meets lots of dietary requirements such as vegan, low fodmap and gluten free. We are passionate about supplying great food, in a casual, friendly environment with a particular focus on excellent customer service. The cafe is conveniently located in the Little Ryrie Street Car Park, in Geelong. The car park has 6 free 15min car parks for those just wanting to quickly grab a takeaway, the remaining parks have a 4-hour limit. As is the case everywhere in Geelong, parking is free on weekends and public holidays. Being in the center of Geelong, Bear & Bean is conveniently located for many workers in the CBD. We realize that many people only get short lunch breaks and therefore value their time and don't necessarily want to spend all their break standing in a queue to get their lunch. This is why we have teamed up with another local Geelong business called Menuhub. Menuhub is an app that allows you to order your coffee and food online. As soon as an order is received we send back a notification with the estimated pick up time. So far, lots of workers are utilizing this technology and 2

enjoying the convenience of ordering their lunch from their desk, then wandering down to the cafe and picking up their order straight away, no matter how busy the cafe is.
