Graphic design in Geelong, VIC We are a creative graphic design and marketing studio based in Geelong. Circle Media have been creating advertising, websites, and campaigns for clients across Australia and internationally since 2007. We offer exceptional graphic design services, including responsive web design, search engine optimization (SEO), logo design, company branding, print, video, advertising and marketing, professional photography, social media and digital consulting. We pride ourselves in specializing in rural and agricultural client advertising and marketing. Our graphic design team have been involved in the rural and agricultural space for more than 10 years and believe we know this market better than anyone. We support our local businesses, we're a passionate team and offer a personal understanding of your business needs. Circle Media create unique website designs for every one of our clients in Geelong and surrounding areas. We have designed and created websites for clients in Torquay, Lorne, Ballarat and all the way to Finley NSW and Queensland. Circle Media designers stay in the know of current website trends and design sites that will stand the test of time. We design appealing and user-friendly websites that your customers will enjoy visiting. All our websites are designed responsively. This means that whether your website is viewed on a mobile phone, tablet, laptop or desktop it will look good and function well. No matter what platform your customer searches for your website on, it will be easily read and navigated. We get to know you and your business and then design a website that will represent your company.
