Graphic Design in Melbourne, VIC Show & Tell is a collective of dedicated creatives, accomplished web developers and social media specialists. Our culture combines the approaches of inspired design alongside commercial success. We are here to build strong brands. We create a unique and lasting brand image through a mix of stunning marketing collateral and the right digital strategy. We believe that impressive design and creative outcomes form the most solid base for a strong brand. At Show & Tell, we know that connection is the key. We help your brand connect with your audience using both print and digital media, making sure that you are effectively engaging with your customers. We create a memorable brand image and presence with striking marketing collateral to ensure your business delivers a captivating message to your target audience. We thrive on seeing our customers succeed. At the forefront of our minds are our customers' needs and the needs of their customers. We are not precious about our designs, and seek critical feedback throughout the design process. Our designs are clear and simple. We don't get caught up in design for design's sake. Our work has purpose, and we deliver it with clarity and simplicity. We deliver consistent outcomes and a reliable service. To this end, we follow a structured process with clear briefs, and provide ongoing communication and documentation throughout any project. The solutions we deliver are focused on helping our customers achieve the business outcomes they seek. We have the know-how to ensure the ideas we provide give you the biggest bang for your buck. Our studio works because we have a very close-knit team under one roof, and our business works because we foster positive long-term

relationships with our clients. We strive to leave lasting impressions by the way we interact with our clients, but even more so by the work that we produce.
