Bed and Breakfast in Maitland, NSW Come visit us and enjoy our lovely B&B and farm-stay accommodation near Maitland and the Hunter Valley. Each spacious room is personally decorated and has a full sized bathroom and rural views. Built of local stone blocks by convicts in 1833. Our country style farmhouse is set on hectares of property to wander and discover. We encourage our guests to join us in the dining room for breakfast and dinner for hearty home cooked meals featuring local and home grown produce. Alternatively the courtyard garden is a great area to dine in the outdoors. Or, perhaps breakfast on the verandah watching the variety of parrots and native birds who make our home, their home. Nestled on a ridge surrounded by grazing land in the heart of the Hunter Valley country-side, our B&B is perfectly located for the weekend break or a leisurely mid-week holiday. Owlpen House B&B is located just 5 minutes from the thriving rural city of Maitland NSW. We welcome our guests as friends. Rooms are spacious and comfortable with quality bedding and furnishings. Each room has its own bathroom and direct access to the outside gardens. Whether you decide to wander about the property lawns and gardens, sit on a bench under a shady Moreton Bay fig tree to read a magazine, help feed our hens, photograph the variety of native parrots flitting around in the trees or count the kangaroos as they parade through the property late in the afternoon.... your stay can be as relaxed or energetic as you choose.
