Bed and Breakfast in Maitland, NSW Bella Wind is perfectly located to give you access to the many concerts that are hosted in Pokolbin. 2.5 km from the New England Highway our guests have options of a local limousine service or access the many buses that pick up and drop off at the highway. A fabulous place to enjoy some music up close and staying with us at an affordable price. You will even enjoy a lovely breakfast thrown in! John and Hely have lived in Windella for 10 years where they have enjoyed the peaceful surrounds of country life whilst not being too far away from essentials—fine wine and food and entertainments. Now that our children have left home it is time to open our home to guests from all places—who have differing reasons to come and enjoy our hospitality whether it be relaxing, business, concerts or even a wedding. We look forward to meeting you and welcoming you to our home. Valentine is our third host at Bella Wind. She is a gorgeous Siberian Husky that loves people. She is 8 years old and very excited about making new friends. The White House is located close to us at 6 Malia Close in Windella. It is a ground floor self-catering apartment on the 2 acre White House property. The apartment has three queen bedrooms, two bathrooms and can cater for up to 7 people. It looks over manicured gardens and the tennis court. Our guests can relax here in the beautiful surrounds and plan their adventures. The White House is 6 minutes to Lovedale Rd Vineyards, and not so far away is Maitland and Morpeth. This a great place for 4 – 7 people who may wish to self-cater or take advantage of the great restaurants close by.
