

Midcoast 4WD Centre

25 Acacia Ave
Port Macquarie, NSW 2444
Australia

Phone: 02 65815728 /23

Mechanic in Port Macquarie NSW4W driving enthusiasts find everything they need to keep their vehicles going strong at Midcoast 4WD Centre. Get accessories, upgrade your suspension, repair auto electrical, enhance with Rhino Ute Spray Lining, recharge your air conditioning, and fix it all with quality service and parts. This one-stop shop also offers rego inspections to suspension, canopies, camping equipment and even outback travel advice. Accessories for your car or your 4WD vehicle include trays, trundles, tool boxes, service bodies, drawer systems, driving lights, snorkels, roof racks, camping equipment, bull bars, and nudge bars. All can be installed right in their shop. Midcoast 4WD Centre also offers a purpose-built Rhino Ute Spray Lining booth to keep your ute in excellent condition, avoiding rubbing and mould growth. Additional services available include on-car disc brake machining, brakes, motor rebuilds, pre purchase inspections, service trailers, and service caravans. They will give you a lift back home or to work within the local area during servicing, too. If you are done for "drink driving, they can service, install and calibrate your vehicle with the Smart Start Interlocks system. Come on over to Midcoast 4WD Center where they speak fluent Outback!
