Aged care Accommodation in Darwin, NT At Pearl Supported care we provide the best in individualized care services. We have a complete team of qualified staff that will suit the needs of every one of our clients. We also have specialized memory support. Our outdoor spaces are full of gardens where residents can enjoy the sun, while on the inside, we have available a wide array of lounge and dining rooms to socialize. Our accommodations include spacious bedrooms, chef-cooked meals and a wide variety of lifestyle activities to choose from. Our clients have the possibility to choose different activities each day, while our team's focus is keeping every one of our residents healthy in order to continue doing the things they love to do. We also have available on-site physiotherapy, that our clients can take part on as needed, using our complete pool facilities to exercise and enjoy their free time. We have a capacity for 65 individuals, with each enjoying a spacious room with ensuite bathroom, reverse cycle air-conditioning, built-in wardrobes and most of them with a balcony overlooking the gardens around our facility. We also offer our Pastoral care staff that aim to fulfill our clients spiritual needs regardless of faiths or denominations. They are also available to offer social support and counselling. Our resort also offers chef-cooked meals that are prepared in-situ, catering for all special dietary requirements. Our aim is providing a place to call your home while helping you age healthily, staying connected to your family and maintaining your usual independence.
