Dog Walker in Townsville, QLD A1 Animal Care is your local Professional Dog Walking and Pet Sitting Service. We are a small family business owned and run by Rebecca Allison. This means that both pet and owner will be safe knowing the person that you meet is the person who will care for your pet. A1 Animal Care was established in early 2006, so we have been caring for pets professionally for 10 years now, making us one of the longest established and reputable Pet Sitting companies in the Wigan area. Over this time we have built up an excellent customer base with many happy pets and owners. We are also highly recommended by many vets, dog trainers and pet care professionals throughout Wigan. A1 Animal Care was established as a stress free alternative to kennels and catteries, and a solution for people who have pets and work long hours. We offer a Pet Sitting Service tailored to the individual needs of your pet. We provide a real alternative to boarding your pet at a kennel or cattery, or imposing upon family and friends. Our range of services is aimed at the responsible pet owner who wants the best for their animals. Whatever your pet's requirements we have a service that will fit their needs perfectly. You can be away from home, safe in the knowledge, that your pet and your home, is in our capable and experienced hands.
