Bed & breakfast in Sydney, NSW Hospitality, friendliness and informality are the essence of Syl's Sydney Homestay B&B, a bright open and modern spacious bed and breakfast in Sydney's upmarket Rose Bay Beach area with Australian bush and Rose Bay harbour views, pets and that real home away from home atmosphere. Syl's Sydney Homestay B&B was one of Sydney's very first Bed and Breakfast accommodations and has been operating since 1980. Your B&B hosts (Syl and Paul) are well-travelled and always ready to share their local Rose Bay, Eastern Suburbs and Sydney tourism knowledge and hospitality in a relaxed, informal setting to help travellers enjoy the wonderful city of Sydney and its eastern beach suburbs. All rooms are comfortably furnished with the little extras you would expect from a luxury accommodation, and the self-contained garden apartment is ideal for family holidays or honeymoon suite accommodation with its extra privacy. You can be self catering or join your hosts for coffee or conversation at your leisure. Syl's B&B is a short walk from Rose Bay cafes, tennis and golf courses, sailing, windsurfing, gym, bus and ferry services to the downtown Sydney CBD, Bondi Beach top tourism attractions and upmarket shopping facilities.
