Driving School in Palmerston, NT Here at Palmerston Driving School we offer quality one-on-one driving tuition for students wanting to get a Northern Territory driving license. We also conduct private driving tests and assessments. Our main goal is to provide students with all the knowledge and skills they require to easily and confidently obtain their license, as well as to be safe and competent drivers that will take care fo themselves and others while on the streets. Our experienced and friendly instructors have seen many students successfully through the process of getting a driving license in Palmerston and the surrounding area, and our students reports complete satisfaction with our services. We accept students at all driving levels, from beginners, to experienced international license transfers, upgrading to a manual license or simply need to re-sit a driving test. At Palmerston Driving School we offer a wide array of services: 1) Driving licenses, in which we offer manual or auto transmission, We can also come to your house or office, where our experienced instructors will offer a friendly and encouraging environment; 2) Driving tests, taken by accredited Drivesafe instructors and assessors 3) Dirt bike training, in which we provide training and coaching in dirt bike riding from beginners to advanced in both motocross and natural terrain riding. and 4) Heavy vehicules training, hosted in close association with Territory Transport Training, they operate the vehicules and offer high quality instructors and assessors that provide one on one training and assessment in rigid and articulated vehicles
