Hotel in Melbourne, VIC Alto Hotel on Bourke is Melbourne's multi-award winning boutique apartment hotel and is one of the few environmentally friendly rated hotels in Melbourne's CBD (Central Business District). Offering apartment living with true hotel-style hospitality with a selection of rooms that will fit your needs perfectly. Choose from Petite Queen Rooms, Studio Apartments, 1, 2 or 3 bedroom apartments. Alto Hotel on Bourke successfully brings together classic architecture of the late 19th century and a contemporary, stylish interior plus a range of inspired services and facilities, including free wireless internet for all guests making your stay an enjoyable experience in the centre of Melbourne. When it's time to get down to business or play, take advantage of our location, which is right in the centre of the city. It's an easy walk to Crown Casino, the Convention and Exhibition Centre and Etihad Stadium (formerly Telstra Dome), Docklands and is only metres from the Airport Bus city terminal, DFO shopping centre and Southern Cross Station. By staying at Alto Hotel on Bourke you are making a commitment to the environment. Alto Hotel protects the environment and leads as one of Melbourne's few resource smart and environmentally friendly rated hotels. For example we have reduced our carbon footprint to an average of 13.5kg per room, compared to estimate of 24-26kg as set by the Sustainable Tourism Cooperative Research Council. We have then offset this remaining carbon via the Carbon Reduction Institute. We also offer free parking for guests arriving with electric or hybrid vehicles and get free recharging from 100% green energy. This and living up to our motto 'Sit Hospes Rex', (The Guest be King), has earned the hotel several awards for environmental and hospitality excellence.
