School in Haileybury, VIC Haileybury is one of the leading independent schools in the Asia-Pacific region with campuses in Keysborough, Brighton, Berwick, Melbourne (City) and Beijing. The School is acclaimed for its outstanding academic achievements, small class sizes, broad range of co-curricular activities, and state-of-the-art facilities. Learning is based on the different learning styles of students, and on their gender, age, interests, and potential. With 120 years of history Haileybury has changed dramatically, and is now one of the leading private schools in Australia. Haileybury's mission is to develop high-achieving students, connected globally, to each other, and to the communities in which they live and which they will serve. The parallel education system at Haileybury allows boys and girls to learn together in younger years, and then separately as they move into middle and senior years. Haileybury also has a strong sense of community, with links through activities that bring the school together throughout the year. Acclaimed a great, leading independent school, Haileybury is proud of the highly successful parallel education model, caring teachers, small class sizes and unmatched level of attention to each student. Haileybury has high expectations for its students and provides them with the support needed to achieve academically. In the Junior School, Haileybury's literacy and numeracy results are amongst the very best in Australia. In the Senior School, we expect that 45% of boys and girls should be placed in the top 10% in Australia, 75% in the top 20% in the country and 90% should be in the top 30%.
